The Indiana Deaf Children Foundation

Incorporated in May of 2021, the Foundation was created as a trusted and responsive funding partner to meet the most urgent short-term and long-term needs of students at the Indiana School for the Deaf. It ensures the holistic academic, bilingual and personal well-being of students and staff members through continuous priority of resource allocation and funding support.

The Foundation's Vision

The Indiana Deaf Children Foundation envisions the Indiana School for the Deaf students thriving as global citizens in a diverse, barrier-free, innovative educational environment through the community's strong support and involvement, facilitated by Indiana Deaf Children Foundation's growing endowment.

The Holiday Bazaar

The Holiday Bazaar, which began in 2018, is an annual tradition at the Indiana School for the Deaf. Originally a fundraiser for the school's Parent Teacher Counselor Organization (PTCO), the Indiana Deaf Children Foundation took over the event in 2022 to raise funds for the Foundation's support of school programs, educational resources, and extracurricular activities.

At the Holiday Bazaar, various vendors and artisans gather to sell their handmade goods and art to usher in the winter cheer and joy of the holiday season. There is a Deaf Santa Claus and different activities for the whole family.
